

## DESTINATIONS OF ETONIANS – 2015 LEAVERS

The aim of this document is to provide as accurate as possible an account of the destinations of boys in successive 'B' blocks. Since many boys delay their higher education applications until after leaving Eton, there is necessarily a delay before an accurate statement can be provided. This year's notice concerns boys who left in the Summer Half of 2015.

### Analysis of Destinations

	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015
