C. Award and Additional Financial Assistance required

The school wants to make sure that any music awards offered to successful candidates are likely to be accepted. Please indicate below (by ticking **one** box only) the minimum financial award you would accept to enable your son to take up his place at the school.

- A. **Music Scholarship:** With additional means tested school fee assistance + up to 135 minutes of music tuition fees [**You must submit a bursary form by the 31st October 2020. Boys with a conditional place at Eton who have already been offered a bursary award must submit an updated bursary form**]
- B. **Music Scholarship:** Up to 135 minutes of music tuition fees
- C. **Music Exhibition:** up to 120 minutes music tuition fees
- D. I would accept any music award offered by Eton College including an **Honorary Music Exhibition** or **Choral Award**, and require no financial assistance over and above any bursary funding already awarded (**only for boys with a conditional place at Eton**).

Please note that music awards are determined on individual merit alone. This information will not influence the decision as to whether an award is made but is intended to enable the school to offer awards that will be accepted, thereby applying charitable funds to best effect and without depriving other candidates of the chance of an award.

D. Applications to other Schools

If your son is auditioning for music awards at other schools, please list below all the schools (including Eton) in order of preference. It is essential that ALL schools are shown in order of preference on this form, and that the order is the same on the application forms sent to the other schools. This will be verified and, in the event that the order differs between schools or a school has been omitted, we reserve the right to reject your son's application. If Eton is your only choice, write "none" in the other spaces.

If your son has already accepted a music award of any kind at another senior school, he cannot attempt our Music Awards examinations without the written permission of that school.

Below are the relevant sections of the MTA Code of Practice as published in the Music Teachers' Association Music Directory. A list of all the schools who have signed up to the Code will shortly be available on their website <https://www.musicteachers.org/directory-schools/>.

● *Parents wishing to apply to more than one school should place the schools in order of preference. Once the application has been submitted this may not be altered. This order must be identical on the application form for each school and include all schools to which parents are applying, even if an individual school has not signed-up to the code.*

● *Application forms must be signed by the Head and Director of Music of the present school. The present school (not the parent) will then send copies of the application form (together with the confidential references) to each school at which a music scholarship is being sought.*

● *No school will make offers or intimations of awards before the auditions. Results of the auditions are announced promptly following the trials by the school of first choice.*

● *When applications are made to more than one school, the second choice school should wait to hear from the first choice school whether or not an offer is being made. If it is, then the second choice school should not make an offer. If the first choice school is not going to make an offer, then the second choice school is able to make an offer if they wish. An identical procedure follows for the school of third choice.*

● *Awards accepted verbally must be confirmed in writing and must be taken up in the following academic year.*
