(40 minutes)

**Remember to write your candidate number on every sheet of answer paper used.**

**Do not turn over until told to do so.**

## CREATIVE WRITING

It is the year 3023. All animal and vegetable life have ceased to exist. You are an alien landing on Earth for the first time in the hope of finding a new home planet.

Describe the scene in front of you, as well as your plans on how you will settle on this planet.

[25]

*Up to five of the 25 marks available will be awarded for accurate spelling, punctuation, and grammar; as well as originality, and flair of expression.*
