

A Letter from the Chairman of the Henry VI Society

The Henry VI Society is a wonderful club of like-minded supporters of Eton. Alongside seeking to swell the ranks of our members, our committee is devoted, with the wholehearted support of the School, to ensuring that we have a full diary of events that refresh our relationships with each other and Eton. We enjoy concerts, speeches, plays, lunches and dinners both at Eton, in London and prospectively around the country in pursuit of this objective.

The impact of our collective support is far reaching. Thanks to the generosity of past and present supporters, Eton can provide bursaries to just over 15% of pupils. Close to 100 boys are currently in receipt of full fee remission, ensuring that financial circumstances are not a barrier for talented boys accessing an Eton education.

Eton continues to warmly welcome applications from OE families. Over the past five years 18% of the boys who have joined are the sons of Old Etonians and more than twice that, 40%, have an OE connection. Figures for 2025 and 2026 entry, whilst not complete, look to continue this trend.

I do hope you will actively consider joining the Society, and if you are already a member, that you will recommend the Society to others with whom you are in touch. We welcome non-OEs, especially parents and those who are keen to maintain a relationship with Eton.

If you do know any of our committee members, please get in touch with them or with me. We will be happy to answer any questions.

Thank you.

Richard Briance
Chairman of The Henry VI Society
